- Vampires
- Werewolves and other Shapeshifters
- Warlocks

COMPOSITION RULES

- Romance, romance, *romance*! While steeped in the contemporary paranormal world, the primary plot line must feature your heroes falling in love and working for that happy ending. We're looking for

original contemporary stories featuring classic romance themes within a paranormal context.

- Tone can range from light and sweet to humorous to dramatic.
- We want to feel the emotions, and there *is* an aspect of risk and danger in the darker paranormal worlds, but go easy on the angst! We're looking for surmountable obstacles, not tragedies and painful backgrounds. Love does conquer all!
- Focus on your heroes' internal emotional conflicts and the sensual tension between them. Let readers feel the thrill of finding love and working for that happily ever after.
- At least one hero must be part of the paranormal world, bringing his conflicts and challenges with him. Some classic character archetypes that are popular in paranormal romance include warriors facing physical challenges and external enemies (aka the Alpha Male); the gothic hero with a dark side; and, obviously, variations on the hero with supernatural origins who is out of step with modern society.
- **Dreamspun Beyond** will feature a variety of reader-pleasing themes and tropes to bring our heroes together: forbidden love, outcasts, family/pack dynamics, stranger in a strange world, and so much more! Add a fresh twist to your favorite classic romance element and feel free to swirl together more than one!
- Choose a setting and make it sing! Your story can take place anywhere in the world and should connect logically to the heroes and plotlines.
- Each volume should be a complete arc. No cliffhangers, please.
- Each volume within a grouped series must focus on a new set of lead characters.
- **Updated 7/10/17:** Sexual content should be restricted to two to three significant events of any heat level up to explicit. Please note that sex for sex's sake, kink, BDSM, etc. are not appropriate. We reserve the right to request sex scenes be scaled back or removed to preserve the tone of the line.
- Word count of 50,000-60,000.
- All **Dreamspun Beyond** novels will feature a specific cover format that is not negotiable, including the House Line design, color elements, and use of photorealistic images.
- Dedications, acknowledgments, and/or author's notes are restricted to a single page for all desired elements combined.

- **Updated 7/10/17:** Point of view and overall tense must be *third person, simple past tense*. POV may switch from section to section or chapter to chapter; the book should be primarily written in simple past tense.

ADVANCES AND CONTRACT TERMS

- All **Dreamspun Beyond** novels are contracted in print and digital formats, which are released simultaneously. A \$500-\$1,000 advance is paid in a single payment upon receipt of the signed contract. Once the advance is satisfied, novel digital royalty rates are 40% to 60% (based on copies sold). Novel paperback royalty rates are 30%.
- Copyright remains with the author.
- Electronic contracts are exchanged via e-mail.

TO GET YOUR TITLE IN THE PUBLICATION QUEUE

Updated 7/10/17: Dreamspinner Press is calling for completed manuscripts as we push our publication schedule forward. Completed works will receive priority review and qualify for earlier calendar placement, as well as the opportunity to move up the calendar and be considered for targeted marketing.

Keep these dates in mind if you want to maximize your opportunity for the earliest publication slot possible:

Submit no later than 3/1 for 1st Quarter of the following year.

Submit no later than 6/1 for 2nd Quarter of the following year.

Submit no later than 9/1 for 3rd Quarter of the following year.

Submit no later than 12/1 for 4th Quarter of the following year.

- Authors may send completed manuscripts to submissions@dreamspinnerpress.com at any time.
- In lieu of a complete manuscript, the first step toward receiving a spot in the publication queue is submitting a strong summary outline of 800-1,000 words to Editor in Chief Lynn West at

<https://www.dreamspinnerpress.com/submissions>

lynnwest@dreamspinnerpress.com. That will give us a better feel for your planned tone and storyline.

- Lynn (or her designate) will reply to discuss your proposal and set a possible submission deadline.
- We require a draft of at least 5,000 words three months prior to the agreed-upon submission deadline to judge story themes, tone, and appropriateness for the line. Depending on how quickly you want to write and submit, that three-month evaluation mark may be shorter. From those three chapters, we may give you a thumbs up, we might provide feedback, or we might decline the idea.
