## *Love Always Finds a Way*

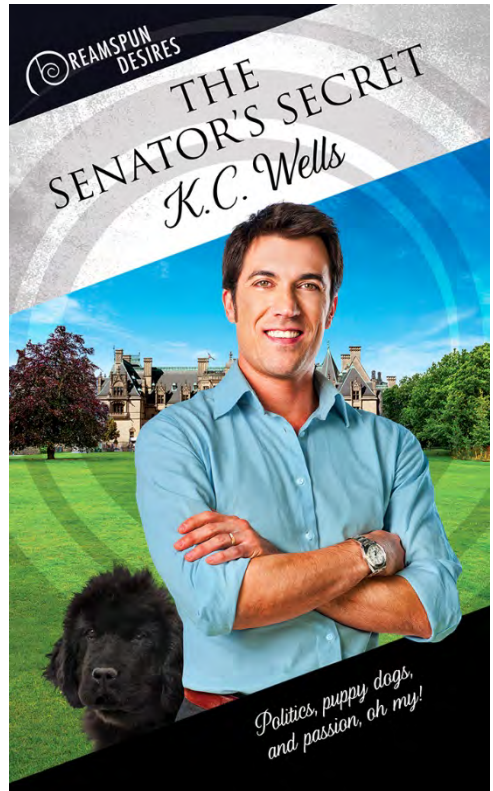

These are contemporary category romance novels, complete with your favorite heartwarming heroes, crazy clichés, and terrific tropes. It's all about the feel-good loving that will leave you grinning.

### CATEGORY RECIPE

Combine your heroes in a baking dish, add three cups of cake-mix conflict, and blend well. Pour in a pint of your favorite homemade flavor for flair, stir in a pound of sugar to make your cake's heart swell, and add a dash of spice for something *really* nice. Don't be afraid to crack a few eggs and let the flour fly! Your three-tier happily-ever-after wedding cake construction will be a great success!

### COMPOSITION RULES

- Romance, romance, *romance*! The primary plot line must feature your heroes falling in love and working for that happy ending. We're looking for original stories featuring classic romance themes.

<https://www.dreamspinnerpress.com/submissions>

- No fantasy, paranormal, supernatural, science fiction, mystery, or horror plotlines.
- Heroes must be likeable, featuring only fixable flaws and appealing character: easy-on-the-eyes boys next door, snappy and suave businessman, or ruggedly handsome cowboys, for instance. These are the strong and successful men we all dream about.
- Tone can range from light and sweet to humorous to dramatic.
- We want to feel the emotions, but go easy on the angst! We're looking for surmountable obstacles along the way, not tragedies and painful backgrounds that won't heal. Love does conquer all!
- Focus on your heroes' internal emotional conflicts and the sensual tension between them. Let readers feel the thrill of finding love and working for that happily ever after.
- **Dreamspun Desires** will feature a variety of reader-pleasing themes and tropes to bring our heroes together: identity mix-up, arranged marriage, millionaires and movie stars, amnesia, friends to lovers, forbidden love, and so much more! Add a fresh twist to your favorite classic romance element and feel free to swirl together more than one!
- Choose a setting and make it sing! Your story can take place anywhere in the world and should connect logically to the heroes and plotlines.
- Each love story should be a complete arc in each volume. No cliffhangers, please.
- Each volume within a themed series should focus on a new set of lead characters.
- Sexual content should be restricted to no more than two significant events of any heat level up to explicit. Please note that sex for sex's sake, kink, BDSM, etc. are not appropriate.
- Word count of 50,000-60,000.
- All **Dreamspun Desires** novels will feature a specific cover format that is not negotiable, including the House Line design, color elements, and use of photorealistic images.
- Dedications, acknowledgments, and/or author's notes are restricted to a single page for all desired elements combined.
